Crafts and Couture

Crafting ARTS & BEAUTY are our passion.

Discover the Philippine local artistry, soulful gifts, and handcrafted collections.

A celebration of Gawang Pinoy, Galing ng Pinoy!

Madame PH Crafts and Couture concept started in 2020 using local fabric in the Philippines to make hand-sewn clothing for women in few batches and custom-made apparel. Due to market demand, we transition our product offerings and services from accepting made-to-order clothing in bulk orders to crafting eco-friendly adornment, custom jewelry, multi-purpose crafts, artisanal soaps & candles, curated gifts, and souvenirs that are personalized for all ages, catering the event, retail, wellness, restaurant, and hospitality industry nationwide.

To date, we aim to provide sustainable local artistry and handcrafted elegance made accessible to everyone, having options from wallet-friendly prices to exclusive and premium offerings—providing you with a grounded luxury experience and a feeling of home-like touch of Filipino warmth, creativity, and grace.
